## Friends of West London Opera

There are many reasons why people wish to become **Friends** of an organisation. Perhaps to support a group their friends and family are involved in, to be a patron of the local arts, or to get involved in one of the few small companies still performing Grand Opera.

**Friends** will receive regular newsletters, access to **Friends-Only** website content, advance notification of social functions and fundraising events, workshops and other activities. You will also be able to participate in the company's 100-Club Lottery. **Friends** will be entitled to a special **Friends-Discount** for tickets to the social functions and fundraising events. In recent years we have held barbecues, quizzes, film sing-a-longs and beetle drives, plus visits to performances by other operatic companies.

West London Opera has several options available to you, your family and your friends. All memberships run from 1<sup>st</sup> September to 31<sup>st</sup> of August. Our Standard package gives you membership for a 12 month period while our Premier package brings you the benefits for a 3 year period.
